On behalf of everyone at Creighton Prep and the members of the BASH 2017 Executive Committee who have worked tirelessly to put together this event, thank you for participating in Havana BASH 2017, Celebrate the Experience to benefit our deserving students and the mission to form them as men of faith, scholarship, leadership and service in the Catholic and Jesuit tradition.

Now in its 47th year, BASH remains a key component in our ability to raise over \$3 million annually to cover the costs not met by tuition and to provide financial assistance to over 45 percent of our young men.

With your help at events such as Havana BASH 2017, Prep can also continue to be a place where students find great success in their academic and cocurricular pursuits. For example, the class of 2016 earned over \$26 million in college scholarships, and the students still here have helped the school win state titles in tennis, swimming, powerlifting and mock trial during the current academic year.

Through your bidding and buying at this event, you can help Prep remain within reach of so many families in need of help to keep their sons here. Sons whose lives are changed through the amazing, four-year Prep experience and who will go on to change the lives of many others through their actions of generosity for the greater glory of God.

Sincerely,

Fr. Tom Neitzke, SJ  
President

Jim Bopp  
Principal

**02 The Best Nebraska Golf – The Dismal River Golf Club or The Prairie Club**

Back by popular demand, you and three other golf fanatics can indulge yourselves in the magic of Nebraska Sandhills golf. This package is unique because it is up to you! You can pick between two of Nebraska's most impressive, links-style golf courses, Dismal River and The Prairie Club. The package is for four golfers and includes one night, double occupancy lodging and 36 holes of golf with two carts per round. Golf at either location will be a dream come true for the true golf lover! **03 Diving Trip for Two to Dunbar Rock**

A favorite destination of trip leader and DiVentures founder Dean Hollis, Dunbar Rock is located near Guanaja, the eastern most of the three main Bay Islands off Honduras. The island is incredibly easy to access, being only 10 minutes by boat from Guanaja Airport, which is just a two-hour, direct flight from Houston, Texas. Guanaja's reef is also a protected marine reserve, making it an ideal spot for scuba diving. It's located on the eastern mountains forming the Bonacca Ridge, the southern rim of a great wall dropping into the Cayman Trench, the deepest point of the Caribbean Sea. Because of its proximity to the trench, Guanaja attracts marine life usually found in deeper waters. This includes large, migratory pelagic animals such as hammerhead sharks, manta rays and whale sharks. Visibility averages 100 feet, and varying depths make it perfect for beginner and advanced divers.

During your trip, you will stay at the beautiful Villa on Dunbar Rock and enjoy 360-degree views of Sandy Bay, Guanaja and the surrounding cays. Savor the great hospitality with all-inclusive food and drinks at this landmark where Blackbeard the pirate moored his ship long ago!
