

# CREIGHTON PREP

## MAGIS SCHOLARS PROGRAM

### PROGRAM OVERVIEW

*Creighton Prep's Magis Scholars program is designed to give students the additional support and resources for a successful transition to high school while handling the rigors of a college-prep curriculum. Our Magis teachers will work with your son to develop and maintain the skills necessary to maximize his potential throughout his high school career. The program includes a two-week summer course and the Magis Scholars course for the school year.*

### SUMMER COURSE

Magis students, including your son, will meet with Creighton Prep teachers at Prep on May 26-29 and June 1-4 from 8:30 to 11:00 a.m. Magis students read the school-wide summer reading book and prepare for the test over the book that will be given in English class during the first week of school. They participate in discussions with each academic department as well as explore learning strategies and skills that will help them be successful. Additionally, several community-building activities help Magis students get to know their classmates.

### OPTIONAL BOOK REVIEW

Your son may benefit from a review of the summer reading book prior to the start of school since many of the details can be forgotten in those two months. For that reason, we will offer an optional refresher on the summer reading book on August 10 from 8:30 to 10:00 a.m.

### MAGIS SCHOLARS COURSE FOR THE 2020-2021 SCHOOL YEAR

In this course, Magis students will build on the strategies and skills learned in the summer course to facilitate success in their other six courses. As they move into the school year, they will focus on the following: organization, time management, test-taking strategies, self-advocacy, reading comprehension, and vocabulary development. Each Magis student will also participate in individual and small group academic coaching with direct, regular access to our Magis teachers including an academic coach and a learning specialist.

### PROGRAM COSTS & PAYMENT

The cost of this year-long program is \$275. Payments will be processed through your FACTS incidental billing account which you will set up as part of the Prep registration process. If there is a financial concern or need, please contact us directly.

### QUESTIONS & CONTACTS

Both the Learning Specialist and Academic Coach will be available at Registration Night on Wednesday, March 4th from 5:30 to 7 p.m. to answer any questions you may have about the program.
