

CREIGHTON PREP

Forming Men of Faith, Scholarship, Leadership and Service

Requirements for Athletic Participation

Prior to participating, all students trying out for a sport (both NSAA and club) must complete and return this [physical examination form](#) or one from your doctor to the High School Office and must have reviewed the [Student-Parent Handbook](#), which includes information about athletic participation, including student-athlete guidelines, parent guidelines and our performance enhancing drug policy.

Creighton Prep will offer sports physicals on Sunday, July 29, 2018 at 7 a.m. Enter through the Heider Center lower doors on the east side of the building. The cost is \$20. We strongly encourage families to take advantage of this service as it will ensure all paperwork is turned in and complete. You may, however, use your own physician if that is your preference. **The physical must take place by May 1, 2018 or later to be valid for the 2018-2019 school year.**

Fall Sports Tryouts

Football

Freshman Football Equipment Checkout and Practice

All freshman football players will meet for equipment checkout and baseline concussion testing on Wednesday, August 1, 2018 at 10 a.m. Enter the building through the Heider Center lower doors next to the school's main entrance adjacent to the east parking lot. All freshman football players should bring a **\$20 equipment fee** to checkout, which covers the costs of the equipment you will need: locker, belt and mouthpiece. Make checks payable to Creighton Prep. For additional freshman football information, please review the letter from Coach Pete Ewing and Coach Tim Johnk by clicking [HERE](#).

The first practice will be Monday, August 6, 2018. The time for the first practice will be announced at equipment checkout. Allow at least 3 hours total time for the first practice. Wear T-shirts, shorts and football shoes for the first day of practice.

Sophomore/Junior/Senior Equipment Checkout and Practice

All sophomore, junior and senior football players have checked out equipment or will do so in the summer. They will need to pay an equipment fee for the lock, mouthpiece or belt they receive. Some players will reuse equipment from last season and do not need to pay again.

These student athletes need to be participating in the summer conditioning program. **Practice begins on Monday, August 6, 2018.** Practice times will be posted on the football calendar on the football portal page on Prep's website. It can be accessed directly by clicking [HERE](#).
