- III. Report on the State of CP – Fr. Tom Neitzke, SJ and Mr. Jim Bopp
Fr. Neitzke: Buildings – active classroom furniture, adding 10 more this summer. Brings total to about 25. Lockers on second and third floor – replace with new ones. Re-do the gym floor in Heider Center this summer; it has been 10 years. New net in Leahy Stadium. BASH is coming up. Incoming freshman 306. This is large, likely will “melt” to about 290. Usually attrition is about 275. Currently senior class is about 240. Possible addition to the building for Student Services/Counseling. Board has not approved. In process of fund-finding.
Mr. Bopp: Prom and post-prom – thank you for all the work on prom. Thank you for the Ignatian breakfasts. Next one is Teacher Appreciation day (May 8). Snack bags at conference are well-received. Accreditation visit last fall focusing on academic side of school; this year six different Jesuits came to perform an evaluation from the Jesuit perspective. Nice to know that from the province, this is the favorite place for them to send Jesuits in formation because Omaha has such tremendous community support for Jesuit schools.
