

Mom Prom 2020 “A Midwinter Night’s Dream”

Frequently Asked Questions and Answers

What is Mom Prom? It is an opportunity for mothers and sons to share a fun evening together that includes dinner, raffles and dancing. All proceeds go toward funding for Prep’s post prom activities, which are at Creighton Prep this year!

What do I do if my son has not asked me to go? Don’t worry; the invitation is extended to both of you. It is appropriate for the mom to make the reservations and/or arrangements to reserve a table with other moms and sons.

What do should we wear? We are going back to a more formal event this year. Cocktail attire for the moms. The boys wear Prep formal dress.

What if a student’s mom cannot accompany him? Please encourage him to attend with a grandmother, aunt, godmother or a Prep classmate and his mom.

Where do I park at the CHI Health Center? Click [HERE](#) for that information.

Who do we sit with? Arrange to sit with friends of your son’s and their moms. Click [HERE](#) to register to attend. (It is easiest for one mom to register the whole group.) ***The maximum at a table is 10 people.*** If you do not have a full table, or if it is just you and your son, you can still [register online](#). If you have less than 10 people on your reservation, we will add more of your son’s classmates and their moms as needed to fill the table.

How do we register and pay for a group? It is important to keep in mind that a registration will not be honored until payment has been made in full. It is encouraged to register the entire group at one time even if you are not registering a table of 10. One mom can coordinate the registration and payment that covers the entire group. This will help us keep groups together as requested. We will not be taking any mail in reservations this year so all payments have to be made online.

Can we request that our table is next to another table? Unfortunately, due to the logistics of limited seating, we cannot accommodate these requests.

Should we bring extra money? Yes, please bring cash to purchase raffle tickets for a chance to win some great prizes. Remember this is a fundraiser for our first Post Prom at Creighton Prep.

When do we take our mother/son photograph? We have two photo options, professional photographer and selfie photo booth, allowing you to take pictures with your son at your convenience throughout the evening. During social hour (5-6 p.m.) is the best time, but Jeremy Johnson Photography will be available from 5-9 p.m. Click [HERE](#) to preorder your professional photos using passcode CPMS.

New traditions continue: We plan to include some of the traditions started last year. Remember, at least one song on the dance floor will be reserved for mothers and their sons from each of Prep’s four classes.
